COMMUNICATION

Commissioner for Patents

Sir:

Applicants hereby request reversal of the status of abandoned for the above-referenced application. On July 21, 2008, Applicants filed a Petition For Application By Other Than All The Inventors, pursuant to 37 C.F.R. §1.47(a). A decision was entered on August 4, 2008 dismissing Applicants' petition. Extensions of time were given pursuant to under 37 CFR 1.136(a) to comply with the requirements in response to the Notice to File Missing Parts. On November 12, 2008, Applicants received a Notification of Abandonment.

Applicants believed this Notification of Abandonment to be in error because extensions of time were available. Applicants' attorney, Denise Bergin, called Patricia A. Booker of the United States Patent and Trademark Office and left a message regarding same. Ms. Booker subsequently left a message with Applicants' attorney on December 9, 2008 stating that the Notification of Abandonment was in error and that it had been vacated.

Applicants respectfully request entry of the reversal of the status of abandoned. Please feel free to contact the undersigned at the number provided below if there are any questions, concerns, or remaining issues.

Respectfully submitted,
Weaver Austin Villeneuve & Sampson LLP
